## SUCCESSFUL MEETING

Of Representative Liberals of the Edmonton Electoral District in the Gariepy Hall.

The meeting of the supporters in the Edmonton constituency of F. Oliver, M.P., held in the Gariepy hall yesterday afternoon, was perhaps the most successful ever held in this constituency. The meeting was called for organization purposes and the hall and the approaches to it were crowded. Over one hundred and seventy delegates were present from all parts of the constituency. Every division of the district was represented. From St. Paul de Metis on the east to forty miles beyond Morinville on the west, and north to Athabasca Landing, delegates came to endorse the candidature of F. Oliver, M.P., for the Edmonton constituency. The utmost unanimity and the greatest enthusiasm prevailed throughout. Numerous gentlemen announced that whereas in the past they had taken no very active part in politics, in consideration of the peculiar character of the coming contest, they were out to do all they possibly could to elect the Liberal candidate. A critical point had been arrived at in Edmonton's history and its future progress depended largely on the carrying to completion of the projects already undertaken by the Liberal government.

C. W. Cross, president of the Young Liberal Association, acted as chairman with P. E. Lessard as secretary. Organization work was first taken up. The Edmonton Federal electoral district Liberal association was formed with the following officers: President, C. W. Cross; Secretary, P. E. Lessard; Vice-Presidents, Dr. Tierney, St. Albert H. C. Taylor, Edmonton, and John Fisher for Victoria district. All presidents of Liberal associations in the constituency are ex-officio members of the central executive committee.

After the organization work had been completed speeches were delivered by prominent delegates present. The speeches were most enthusiastic, and the spirit of the convention was most inspiring. The delegates spoke appreciatively of the policy of the Liberal government as regards Western Canada.

It was then moved by H. C. Taylor and seconded simultaneously by a number of delegates that F. Oliver, M.P., be the candidate of the Liberal party in the Edmonton constituency in the coming Dominion elections. The nomination was received with prolonged cheering. On rising to reply, Mr. Oliver was greeted with great applause. He thanked the gathering for the nomination. On previous occasions he had accepted the nomination as an independent Liberal. He now took the nomination on the same grounds. He was no less a Liberal because he was an independent, and no less an independent because he was a Liberal. He spoke for some time on the approaching contest and on the questions of the day affecting Western Canada. His address was closely listened to and he took his seat amid applause.

The following resolution moved by O. M. Higgar, was unanimously carried:

"Resolved that we, the Liberals of the electoral district of Edmonton, in convention assembled, view with great satisfaction the action of the government of Canada in procuring for the Northwest Territories in general and for the valley of the North Saskatchewan in particular, the railway facilities which the country has so long required and which are so essential to its development; we consider that the arrangements which have been made in this regard are eminently satisfactory from every point of view and worthy of the support of every man in these Territories who has their true interests at heart."

"We also view with approval the policy of the Liberal government in respect to the tariff, believing as we do that if the demands of the manufacturers had been complied with, as such demands have in the past been complied with by Conservative governments and might have been by a weaker Liberal government, the effect upon the West would have been blighting, and the development in this Western country would have been retarded for many years to the great loss of Canada as a whole, including the manufacturers themselves."

Large numbers were present from Edmonton as well as numerous representatives from all points of the Edmonton electoral district. The meeting was very enthusiastic and was a decided success throughout. Speeches were delivered by Chairman C. W. Cross, F. Oliver, M.P., Liberal candidate for the House of Commons in the Edmonton constituency, and by Messrs. J. W. Howie, J. R. Boyle, McCallan, C. de W. McDonald and Dr. Forin. The meeting closed with cheers for Mr. Oliver.

## "COULDN'T STAND TARTE"

Most Canadians whose memories are not impaired by infirmity of one kind or another, will recall the campaign cry that was worked so successfully by the Conservative party in Ontario at the last Dominion elections—and to some extent, but with a few measure of success, in Manitoba and the Territories. The cry was: "We can't stand Tarte." The Liberal government has not been a bad government," they said, "and the Liberal leader is no doubt an able and creditable man; but Tarte is a member of the Liberal government, and we can't stand Tarte." Amongst the newspapers of Ontario which were foremost in working this cry, was the Mail-Empire. Its editorial columns were crowded for weeks with articles holding the then minister of Public Works up to national reprobation for his alleged disloyal utterances.

But what a change. Mr. Tarte is as he was in 1930, only three years ago, except that then he was a member of the Liberal government, while now he is opposing it. He has never repudiated any of the utterances of which the Mail-Empire then complained. But, notwithstanding, the Conservative party, including the Mail-Empire, has officially taken the ex-minister of public works to its bosom. In a recent issue of the Mail-Empire appeared an interview with T. Chase Casgrain, M.P., for Montserrat, Quebec, on the political situation in Quebec. The interview appeared under a full set of display headings, of which "Tarte Doing Great Work" was one of the most prominent. The Mail-Empire quotes approvingly from Mr. Casgrain as follows:—

"The Conservatives of Montreal and, indeed, of the whole province were rapidly organizing into a splendid shape for the fight whenever it should come. Then J. L. Tarte, he said, was doing magnificent work in this respect; the ex-minister was well known as a prime of organizers, and his work should count for much when the time came."

This J. L. Tarte, whose membership in a Liberal government was so contaminating, that the people were called upon to reject the whole membership because of his presence, is now, the man upon whom the Mail-Empire and the Conservative party depends to win for it a majority in the province of Quebec. In 1930 he was so disloyal that a self-respecting country must defeat not only him, but his associates. Now he is the "prime of organizers" and "his work will count for much" for the Conservative party when the time comes.

There is no blame to be attached to the ex-minister of public works merely because he left the Liberal government and is now actively opposing them. That is his privilege as the free citizen of a free country. But what can be said of the principles of the newspaper and the party which is so ready to embrace to-day the "disloyalist" of three years ago, without any change of heart or attitude on his part on the matter which was the ground of the Mail-Empire's complaint so shortly ago.

The trouble seems to have been not that the Conservative party couldn't stand Tarte, but that Tarte couldn't stand the Conservative party. How ever, now that the breach is healed it is to be hoped that everybody is satisfied. Certainly one has more reason to be satisfied than the Liberals against whom Mr. Tarte is organizing.

## CANADIAN NORTHERN PLANS

Montreal, Dec. 16.—D. D. Mann, vice-president of the Canadian Northern Railway, who is in Montreal, in speaking today of the company's railway plans, said:

"It is our idea to eventually construct the third great railway system in Canada in spite of the reports to the contrary or stories to the effect that any of our property is for sale. None of our roads are for sale, nor are we negotiating with any persons for the sale of any of them."

It is the purpose of Mackenzie

Mann to combine the roads they already own, into one system, and as business warrants it, they will push their lines further westward until they reach the Pacific coast and eastward to the Maritime provinces. The combined lines will form the third railway system across the continent.

Mr. Mann said that there was no doubt but that the system would eventually be built, and he concluded by saying that all Mackenzie and Mann roads so far built had proved paying ventures.

## WINNIPEG MARKETS

Commercial, Dec. 19th.

Oats.—Deliveries of oats continue very light and prices here are comparatively high. The light receipts are attributed in some extent to paucity of cars, but others believe that the crop is not as great as has been estimated. All the choice oats some dealers say, will be wanted at home for milling and seed. An inquiry has been reported here for seed oats from Alberta. Prices continue above a shipping basis and would have to go considerably lower here before shipments could be sent east. Local feed dealers are paying 30 1-2c to 31 1-2c for No. 2 white oats in carlots on truck here, and 29c to 30c for feed grades. For farmers' loads at country points, prices are averaging about 28c. The street price here for farmers' loads is about 30c per bushel for ordinary quality.

Barley.—The movement is very light. Malt grades are bringing 36 to 37 cents per bushel in carlots on truck here, and feed grades 34c to 35c. Farmers are getting about 28c at country points.

Wheat.—Manitoba wheat has been steady to firm most of the week, though sometimes dull. At the close of the week, owing to the strength of the American markets yesterday, it is quite firm and prices are 1-2 to 3-4c higher than a week ago. We quote prices as follows: 1 Nor., 76 1-4c; 2 Nor., 74 3-4c; 3 Nor., 71 1-2c; No. 4, 68 1-2c; 1-2c; spot or December feed No. 2, 41 1-2c; spot or December feed No. 1-4 to 1-2c over December, 41c; and for May delivery: 1 Nor., 83 1-2c; 2 Nor., 79 1-4c; 3 Nor., 75 1-4c. No. 4 wheat, 68c, all in store Fort William or Port Arthur.

Cattle.—There is very little doing in cattle and the demand will be slow for some time as butchers here have heavy Christmas stocks now on hand. We quote: 3c per pound for choice beef cattle off cars here, with lower grades ranging from 1-2c up.

Sheep.—Mutton sheep are in good supply and the market is steady at 3-4 to 4c per pound off cars here. Lambs are worth 5c per pound off cars.

Hogs.—Packers will pay 4-4c per pound for choice weights, ranging between 150 and 250 pounds off cars. Inferior lots, 4 to 4 1-2c. There are not many light hogs coming which are not wanted by packers, and shippers are granted 1-2 to 1c for these. Farmers should be advised to hold their hogs for longer feeding.

## SUCCESSFUL MEETING

Continued from First Page.

We further consider that the government has shown its regard for the best interests of the Territories by the provisions which it has made for the current financial needs of the local government, both in capital and income accounts, deferring for the time being the question of provincial autonomy to give opportunity for the full consideration of the exceptional terms which the exceptional conditions of the Territories render a first necessity of provincial organization.

Finally, we desire to express our complete confidence in Frank Oliver, Esq., M.P., who has so ably, faithfully and wisely cared for the interests of his constituency during the last seven years in the Dominion parliament. For his services in this regard we tender him our hearty thanks and now pledge him our unqualified and hearty support in the next election.

## COLUMBIA WANTS PANAMA

Colon, Dec. 17.—Early in the morning of Dec. 17 the Atlanta sighted a small schooner in the Gulf of Darien and followed her to the western shore, where the schooner attempted to hide behind an island. Lieut. Perrill, of the Atlanta, was ordered to board her, and thereupon a whaleboat was lowered and pulled towards the schooner. Through the courtesy of the naval officer, the correspondent of the Associated Press accompanied a party on the whaleboat. It was found that the schooner had on board a hundred armed Colombian soldiers, commanded by General Rafael Novo, who said General Daniel Ortiz, commander-in-chief of the Colombian forces on the Atlantic and Pacific, had a large camp a mile away on the mainland. Gen. Novo requested Lieut. Perrill to land and confer with Gen. Ortiz. Great excitement prevailed among the Colombians on the whaleboat's approach. There were repeated cries of "Viva Colombia," and there was a sudden concentration of about 150 Colombian soldiers on the beach. Gen. Ortiz appeared on the beach when Lieut. Perrill went ashore, the whaleboat in the meantime lying close to the beach. Gen. Ortiz insisted that Lieut. Perrill should fly the Colombian flag at the bow of the whaleboat or lower the American flag at her stern, because she was in Colombian waters. Lieut. Perrill replied that he did not have a Colombian flag and refused to lower the Stars and Stripes. Gen. Ortiz did not insist upon his so doing, but he protested in writing against the presence of Americans in Colombian waters. Lieut. Perrill accepted the protest and conveyed it to Commander Turner, who handed it to Rear-Admiral Coghlan on his arrival here. General Ortiz did not permit Lieut. Perrill to leave the point of the beach where he landed. He was surrounded by Gen. Ortiz's staff during the conference, while inland a few paces, and there was a semi-circle of armed men. While Perrill was awaiting the Colombian protest Lieut. Manwaring (commanding the marine guard of the Atlanta) rowed up along the coast in a cutter, observing the Colombians' camp. General Ortiz requested the Atlanta to leave.

General Ortiz and others freely expressed the determination of Colombia to fight to the bitter end in case Gen. Reyes' visit to Washington is not successful and Panama is not returned to Colombia.

## WABISCRAW

A correspondent from Wabiscraw, a trading post northwest of Athabasca Landing, sends the Bulletin the following items:—

The village of Wabiscraw consists of a few natives' shacks, three stores, the Hudson's Bay Company's, Johnson Bros., and Ed. Williams'. The Rev. Father Dupe is in charge of the Roman Catholic mission here.

A few days ago the English church mission was totally destroyed by fire with a large loss on the buildings. Miss Hill, who lately came out here to assist in missionary work, was a very heavy loser. Besides a great deal of highly prized jewelry, she lost all her personal effects. Mr. Weaver, the missionary, was badly burned about the head, but up to date is progressing very rapidly. The Hudson's Bay Company's office, Mr. Arthur Griffin, had great difficulty in saving the company's property.

Ed Williams has purchased the trading outfit of Rev. H. Robinson for \$4,500. Mr. Williams now has the largest trading outfit in this district. He is opening up trading posts at Chipewyan Lake, Bear, Trout, God's and Sandy Lakes.

—Que Vadis as presented by Mr. Harold Nelson and his company is a dramatic success unequalled in the history of the stage of Western Canada. Mr. C. P. Walker, of the Winnipeg theatre, has given his star a scenic and electrical equipment equal to that used in the larger cities. The entire Carpenter production, which was used in Chicago and other large western cities of the United States, has been purchased, together with a lighting plant, which will allow superior and realistic effects. The costumes have all been prepared under the direct supervision of Mr. Nelson and the models taken from the most eminent classical authority. No expense has been spared to make this the dramatic sensation of the year. In Marcus Vinicius, Mr. Nelson has a part which particularly suits his romantic and artistic style of acting, besides affording him opportunities for great power. His costumes and armor have been procured at great expense and are remarkable for historical accuracy. He has surrounded himself by a company of exceptional strength, each one being especially selected for the part taken.
